

Celebrating
“Jesus, Saviour, LORD & KING”
3-10 October 2020

The Feast of Tabernacles is a Christ-centred celebration. Rich in meaning, this joyous festival explores the birth of our Saviour Jesus Christ, as well as His abundant Kingdom blessings when He returns to reign. We explore in worship, song and scripture, the time when “every knee will bow and every tongue confess that Jesus is Lord.”

You are welcome to join us at the Mary Davis Community Centre, Baldivis, WA, 3-10 October 2020. This festival includes worship services, seminars, fellowship, with various family outings and activities. Come for one day or come for eight - but do come!

(Note that this non-denominational festival is celebrated under the terms of the new covenant in Christ and is not a requirement for salvation or a test of fellowship!)

There is no cost, however we do ask participants to register online at <https://www.message7.org/festival>

(Donations are gratefully accepted to offset event costs.)

Venue: Mary Davis Library & Community Centre
